WHAT A-STEP IS

A-STEP is a single paper, sat at our Sector 34-A campus, that decides the scholarship a student carries into two years of NEET preparation at ALEX. It is open to students moving from Class X to Class XI. Registration costs ₹100, and the better a student does, the more of their programme fee the scholarship covers.

SENIOR EDUCATORS

WHY ALEX

BETTER STUDENTS. BRIGHTER DOCTORS.

Expert faculty

Nine senior NEET educators teaching concepts first, not rote memorisation — the same team behind the selections in this prospectus.

Personal mentorship

Small batches and one-to-one tracking, so no student quietly falls behind between tests.

Academic discipline with values

Sanskar bhi, safalta bhi. Results that do not come at the cost of the student.

Proven results

A 24% selection rate into government medical colleges — the highest in Chandigarh, year after year.

₹100

Less than a cup of coffee.

₹100 is what it costs to sit A-STEP. One morning, one paper — and a scholarship that can carry you through two years of NEET preparation at ALEX.
